Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Please contact the Account Management Team on 1300 307 807 for further details.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

FULL = Security is restricted or at it's maximum. Special Approval required. New purchases will receive an LVR of 0%.

M = Available only when investing through an approved Master Trust or Wrap account.

W = Wholesale Funds (Please note that these funds have higher minimum investment levels)

Stocks in bold are additions, stocks in italics are amendments.

Wraps/MasterTrusts/Platffoms - If no LVR is present then LVR's are applied to Eligible Property as per the current list.

Please contact the Account Management Team on 1300 307 807 for further details.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.

Lending margins are applicable to securities within a diversified and concentrated portfolio. However, within a concentrated portfolio, they may be reduced even to zero. You must confirm the lending margin applicable to your portfolio prior to purchasing securities. Lending margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending margins may be changed from time to time in accordance with the Margin Lending Facility Agreement.
