To receive the Lending Ratio the Lending Value of the Acceptable Investment must not represent more than the allowable Concentration in the Secured Portfolio. Any Market Value not eligible for the Lending Ratio may receive zero.

Lending Ratio - The percentage applied from time to time by the Lender in its absolute discretion to particular items of the Secured Portfolio and, if no percentage is allocated by the Lender for a particular item of the Secured Portfolio, means zero.

You must confirm the Lending Ratio applicable to your Secured Portfolio prior to purchasing Acceptable Investments. Lending Ratios are set for the purpose of managing the Lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice.

Lending Ratios may be changed from time to time in accordance with the IFM Agreement.
