Safety Margins are set for the purpose of managing the margin lender's risk and do not represent, and should not be interpreted as, investment recommendations or advice. There is no guarantee that any of these securities will be available for short selling at any time. Safety Margins may be changed, or Securities may be removed from this list, from time to time in accordance with the ShortPlus Product Guide dated 20 April 2017 or later.

Collateral is an amount equal to a Security's Market value multiplied by a collateral percentage, which is currently 105%. You pay this amount when you borrow the Securities. If you have sufficient borrowing capacity, you will typically borrow the Collateral through your Margin Loan Facility. Refer to the Short Plus Product Guide dated 20 April 2017 for further details about What is the Collateral and how it is calculated.
